Women's Business Enterprise National Council

Credit Bureau Data Receives Women-Owned Certification

La Crosse, WI, April, 2009 – Credit Bureau Data, Inc., a business specializing in Accounts Receivable Management, received national certification as a Women's Business Enterprise by the Women's Business Development Center-Chicago, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification implemented by the Women's Business Development Center-Chicago is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.

Credit Bureau Data Inc.(CBD), a woman-owned agency, has been serving clients in the private and public sector, both for-profit and not-for-profit, by providing exceptional accounts receivable management, collection and credit reporting services since 1979.

As a leading provider of collection services, CBD achieves outstanding results and follows the highest ethical standards. Their professionalism, technology and expertise allow clients to achieve the highest possible returns, knowing their customers are being treated with respect.

To learn more about Credit Bureau Data, Inc., please visit www.cddlax.com.

The Women's Business Enterprise National Council is the nation's largest third party certifier of businesses owned and operated by women in the United States. WBENC is a resource for the more than 700 US companies and government agencies that rely on WBENC's certification as an integral part of their supplier diversity programs.
